

**Amendments to the Claims:**

This listing of claims will replace all prior versions, and listings, of claims in the application:

**Listing of Claims:**

1 Claim 1 (original): Automatic dishwasher, especially for built-in kitchenettes,  
2 comprising a cabinet (10) and equipped with a front door (11) that seals the wash tub (18)  
3 housing at least one first (20) and one second (21) spray arm for washing the dishes  
4 placed in at least one rack (19), said tub being closed on the bottom by a downward  
5 sloping panel (22) that directs the wash water into a sump hopper (23) which serves to  
6 collect and drain the water, characterized in that the first spray arm (20) essentially  
7 extends coaxially with the sump hopper (23) while the second spray arm (21) is  
8 positioned above the sloped panel (22) with its axis of rotation extending at a right angle  
9 to said panel.

1 Claim 2 (original): Dishwasher as in claim 1, characterized in that the sump hopper (23)  
2 serving to collect and drain the wash water is located in an off-center position on the  
3 bottom of the wash tub (18).

1 Claim 3 (original): Dishwasher as in claim 1 or 2, characterized in that the plane of  
2 rotation of the second spray arm (21) partly extends underneath that of the primary spray  
3 arm (20).

1 Claim 4 (currently amended): Dishwasher as in ~~one of the preceding claims~~ claim 1,  
2 characterized in that the door (11) extends across the full width of the cabinet (10) and  
3 that one single rack (19) serves to accommodate a standard load of dishes.

1 Claim 5 (currently amended): Dishwasher as in ~~one of the preceding claims~~ claim 1,  
2 characterized in that the door (11) is a solid component provided with a trim panel (15).

1 Claim 6 (currently amended): Dishwasher as in ~~one of the preceding claims~~ claim 1,  
2 characterized in that the door (11) features a transparent window (16) and an outside  
3 handle (17).
